

ATHLETES CHOICE MASSAGE SEEKING 2ND YEAR STUDENTS

We are looking for 2nd year students to join our team, individuals who are enthusiastic about therapeutic massage. We offer competitive rates in a modern and functional space. Students are able to practice on clients and team members. As well as having clients to work on our students can also be a part of our apprentice program. This program includes real world training with our team's Coach, and plenty of one on one opportunities for questions regarding their upcoming career. Students also gain the benefit of working at the front desk at our clinics, this gives them direct contact with our clients and a thorough understanding of how to work with a massage therapy booking system, as well as building client interaction skills. Lastly there is the potential for our students, upon graduation, to transition to RMTs while remaining on our team. If you want to be part of a dynamic team and build your career in this field, we would be a great fit for you.
