

This list is intended for students who will begin the program in January 2023 and is subject to change.

The links below will take you directly to the online store of the books' publishers, and the prices given are those provided by them for the print copies (when available). All of our textbooks and resources are also widely available from either general or specialty bookstores online and in stores. **Some books may also be available second-hand; however, make sure you are getting the correct edition.** If you have trouble finding any of these books for sale, check out [Login Canada](#) here or please let us know.
